NOTICE OF PUBLIC HEARING ON TAX RATE

Montgomery County MUD 36 will hold a public hearing on a proposed tax rate for the tax year 2021 on September 15, 2021, at 6:00 p.m. at 2455 Lake Robbins Dr. The Woodlands, Texas 77380 in the Chuck Hinton Board Room.

Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

If the proposed combined debt service, operation and maintenance, and contract tax rate requires or authorizes an election to approve or reduce the tax rate, the governing body of the water district proposes to use the tax increase for the purposes of "Projected operating and debt service expenses"

NOTICE OF VOTE ON TAX RATE

If the district adopts a combined debt service, operation and maintenance and contract tax rate that would result in the taxes on the average residence homestead increasing by more than eight percent, an election must be held to determine whether to approve the operation and maintenance tax rate under Section 49.23602, (Automatic Election to Approve Tax Rate for a certain Developed Districts) Water Code.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state .
